

# THE GREEN EDIT

Published by Ebury Press | 10th September 2020 | £9.99 Hardback

How can we lessen our impact on the world without giving up the things we love? This series of easy-to-follow guides show that positive change is possible without radical changes to your everyday life. **The Green Edit** is a series for anyone who wants to save the planet, but doesn't know where to start.

## TRAVEL

Explore the world and satisfy your wanderlust in the most eco-friendly way.

Sustainable tourism doesn't have to mean vowing to never take another flight or spending holidays camping in your back garden. This short expert guide takes you through every step of planning your trip, from booking to boarding, and arms you with everything you need to know for a lower-impact getaway.

Whether it's explaining how to know which plane to take (yes, some are greener than others) or how to avoid the mini toiletries trap; this book shows that you can travel sustainably and still live life to the full.
